---

As a participant in the YMCA's Summer Camp Program, I understand that I must give at least a **10-Day notice** of my child's (week long or more) absences from the program in order to not be charged for that week. I understand that if I do not complete this form 10 days prior to the payment due date for the program, I will be charged in full for that registration. I understand that I must fill out this form and submit it a YMCA Camp or Front Desk Staff with a 10-day notice in order for the requested changes to be made to my account.
